

Increase Your Revenue from Overnight Oximetry and Home Sleep Testing

A Quick Guide on How the Strategic Use of Mail Delivery Services Can Increase Your Revenue

Direct-to-Patient Overnight Oximetry Testing

We take care of delivering the overnight pulse oximetry device directly to patients, no longer do Durable Medical Equipment (DME) companies have to be burdened with this process! Vitalistics' mail order service is designed to streamline the oxygen qualification process allowing DME companies to spend less time on logistics and more time on high-value, activities ultimately saving time and money.

We're changing how overnight pulse oximetry tests are delivered.

We Handle Everything

Vitalistics™ is here to work with you as a partner in servicing your oxygen qualification patients. We'll handle every aspect of the testing for you.

Home Test Delivery

We deliver the overnight pulse oximetry test directly to your patient's home with our mail delivery service.

Maximize Your Revenue

When you let us handle every aspect of the testing, you'll reduce your labor and overhead costs, increase productivity, and have more time for patients.

What Are the Advantages?

We'll Handle The Logistics So That You Can Focus On Your Patients

Vitalistics is here to help...

DME companies face the challenge of providing their patient's therapy while also having to manage the delivery of overnight oximetry tests.

Here at Vitalistics, we understand that being the courier of the device can be frustrating. That is why we launched our mail delivery service. We'll handle every aspect of the delivery process and testing, so you can focus on taking care of your patients.

Check out the Vitalistics Advantage!

What Are the Benefits?

Dramatically Reduce Costs with Our Efficient Mail Order Program

Vitalistics Savings Calculator

Factors	Self-Courier	Vitalistics	Savings
 Processing Costs	\$45	\$0	\$45
 Vehicle Costs	\$15	\$0	\$15
 Shipping Costs	\$6	\$0	\$6
 Driver Costs	\$15	\$0	\$15

Average Savings Per Order!

\$ \$81 \$

We take care of the costs associated with delivering home oximetry tests, so you can focus on improving your business and taking care of your patients.

Note* Self-Courier costs were factored from industry averages and are subject to change

What Are the Next Steps?

Getting started is easy! Simply call us today at 844.550.9970 or visit us online at [Vitalistics.com](https://www.vitalistics.com) to register.

Large companies will want to meet with the Vitalistics Transition team to discuss their specific business details and goals. Smaller companies can get started right away.

Our team will work with you to complete your transition to Vitalistics, answering any questions you may have and helping to make sure the transition goes smoothly for your staff and patients. We'll also conduct ODIE software training with you and your staff so that you can take full advantage of our services.

Once you determine the start date to launch our service, we'll be there to take care of every aspect of your testing!

4 REASONS TO UTILIZE A MAIL SERVICE FOR YOUR DME BUSINESS

VITALISTICS.COM | 1.844.550.9970 | SALES@VITALISTICS.COM

REDUCE OVERHEAD AND LABOR COSTS

Eliminate the cost of being your own courier. A mail service allows you to save money on expenses like packaging, training staff, and insuring drivers.

INCREASE PRODUCTIVITY

Utilizing a mail service takes care of all the hassle so you can focus on running your business the right way. Allowing you to maximize your ROI, and increase your bottom line.

SIMPLE CLOUD-BASED PLATFORM

You can securely access the online portal to view your patients' status and get report results from your desktop or tablet wherever you are.

MORE TIME FOR PATIENTS

Having a reliable mail service take care of the daily shipping and delivery operations allows your business to focus on what is most important, your patients.
